Sibling Discount

The staff at RCA all come from large families. We know (well, our parents knew!) what it is like putting 3 or 4 children in gymnastics, dance or cheerleading. It was costly, but we believe it was well worth it. So, in honor of our parents we want to help you out. We really hope this helps! *This is for tuition only, it does not include uniform or competition fees.*

2 kids- 15% discount off total amount

3 kids- Buy two get one free!

4 kids- Buy two get one free and then \$5 off each additional child.

Crossovers

The definition of a crossover is a cheerleader who competes on two teams. If your child chooses to compete on two teams and makes both of them, you will be required to pay half of the amount of tuition for her extra team. For example: If an 13 year-old girl cheers on Juniors but would like to compete on Senior 4.2 as well, her monthly tuition would be \$112.50.

\$75.00 for juniors+\$37.50 for seniors 4.2=\$112.50.

**Please keep in mind that you will be responsible for paying crossover fees to competitions as well.*

Private Lessons

45 minutes: \$25 a lesson
